The Bry-Ter representative got out his ivory toothpick and worked on his teeth while he considered. "Say, that's obstructing justice, If you just want to forget it.."

A little while after that he retrieved his straw hat, took quite a while bidding both the Conovers good night and finally left. Sin and John Henry undressed in silence.

Sin sighed. "Does it matter,"

"Sure. 'after Anglin left, you had me turn the porch light on, Sin. She could have seen the blood next to the door where he put his hand. So she guesses her man has been there and insists on having the cottage he visited. Make sense,"

"I guess so."
